Students entering Ontario universities today have access to a growing variety of world-class electronic information resources that are accessible to them 24x7x365. Our libraries are leaders in transforming traditional library services by adopting innovative technological solutions such as ScholarsPortal, a shared gateway to scholarly resources and RACER, a province-wide interlibrary loan service. Through these resources and services, our libraries are preparing students for today's world of information. Our libraries also provide a wide array of unique resources, services, and facilities. For more detailed information, click here: <http://spotdocs.scholarsportal.info/display/sp/home>.

The table describes the holdings of the J.N. Desmarais Library, Laurentian University's main library. The University of Sudbury and Huntington University also have libraries, but they are not members of the Ontario Council of University Libraries (OCUL).

Students registered to programs offered jointly with colleges, such as Georgian College and St-Lawrence College, also have access to the libraries at these institutions.

Total students reported above who graduated by 2012 and 2013	1,120	1,086
<b>Overall Graduation Rate</b>	<b>70.4%</b>	<b>69.9%</b>

Graduation Rates: The Ministry of Training Colleges and Universities has calculated graduation rates using a single entering cohort of students and determining whether or not they graduated within seven years. The methodology employed involves the selection of all new full-time, year one undergraduate students on the official Fall 2005 enrolment file, who have a valid (and unique) student ID number, and were seeking either a bachelor's or first professional degree. The subset was then matched against the records for students who received a degree (in any program) from the same institution during the most current seven-year period (2005 to 2012).

## K3 – Retention Rate

### Retention Rates, 2013 Cohort of Undergraduate Students

Year 1 to Year 2 Retention Rate (%):	84.4%

Calculation of the rate includes data for the federated universities (Thorneloe, Huntington, University of Sudbury, and Laurentian University) and the collaboration with Georgian College, but excludes Algoma, Hearst, the Northern Ontario School of Medicine, and collaborations with Sault, Northern, Cambrian, and St-Lawrence College.
