

Rowan's Law Completion Instructions

Starting in 2019, anyone involved in any physical activity/sports program in Ontario must complete concussion awareness training. All Intramural participants must complete both **8-1: Concussion Education & Awareness** and **8-2: Concussion Recognition & Response**, the course codes for both training modules can be found below and only take approximately 5-10 minutes to complete. Please watch both videos and complete the quizzes for each course. This must be completed before your first game otherwise you WILL NOT be able to play until you have completed them.

If you participated in Intramurals during the Fall Term and completed the training you will not have to complete it again. If you have completed the training with another organization such as the Varsity Athletics Department please send us an email with the confirmation of completion that you were sent.
